LEGO ROBOTICS DAY CAMP FOR GIRLS

PA /Adult Volunteer Lego Camp Critique

1. Overall, did you enjoy being a PA/Adult Volunteer? \hspace{1cm} YES \hspace{1cm} NO
SOMETIMES
Why or why not? _______________________________________________________
______________________________________________________________________

2. I think a Lego Robotics PA/Technical Mentor serves her assigned team best by

    _____ remaining uninvolved with the team and waiting for them to ask questions about the
    materials, programming and building.

    _____ being involved by actively showing how to use the notebooks or other resources,
    reinforcing what the directors have taught, facilitating good teamwork interaction, answering
    questions and offering knowledge based on their experience.

    Why do you feel the way you do?____________________________________
